Indeed my friend I am unprovided for
Mr Daniel, but from the investigation
of the Committee & respectful hints
since received — I have hinted to him
that it would be better to withdraw
his offer, as I could not succeed he
has promised to request your advice
& your friendly advice in all I
am undecided for — I should not have
been present at Committee but in
consequence of your Summons & yours
to do Mr Daniel strict justice & never
to do an act — till I do every reflecting one
should wish to be tranquil & pursue
to private
those objects only which lead to public good
Prudence says keep aware next Wednesday
confidential communication
